

THE FABRICLEAN SUPPLY PLEDGE

We make it our primary goal to help our customers grow their business profitably

We will always be ethical, professional and courteous

We will try to be accurate and not make promises we cannot keep

We follow the "Golden Rule" - to treat every customer the way we would want to be treated

We are consistent and timely - the salesman and the driver show up at their appointed times

We will try to be accurate and avoid making promises we might not be able to keep

We try to follow up promptly when we do make a commitment

We work at being good communicators, readily available and will return missed calls promptly

We will know the customer's normal usage patterns, equipment, clientele and specific needs

We have personal face-to-face longtime relationships with our customers - our friends

We offer an extremely broad selection of supplies, offering true "One Stop Shopping"

We are local - we support each other, our industry, our trade organizations and our community

We are in the business of providing creative solutions to meet each customer's unique needs

We are experts and our team has an unmatched depth of experience in the industry

We are backed by a well-trained and caring office staff & operations team

We try to plan ahead so we will not waste your valuable time

We will always try to have something on sale to help you save money

We will be persistent in earning the trust of our customers

We will take the time to stop and ask for feedback - How can we serve you even better today?
