

Spray Spotter
For use with
GreenEarth®,
Hydrocarbon or Perc

"G"Go™

**Introducing "G"Go Spray Spotter for use
with GreenEarth Dry Cleaning.**

New "G"Go quickly penetrates fabric to release ground-in soil, collar and cuff stains, perspiration, etc. Simply spray soiled areas before drycleaning. No waiting required. "G"Go flushes freely in GreenEarth... stains and soil disappear right in the wheel.

And "G"Go is environmentally friendly. It's soy based, biodegradable, non-combustible and California VOC and Prop-65 compliant. Just spray it on and dryclean it out. With "G"Go, it's just that easy!

DIRECTIONS

Before starting, read and understand the "G"Go Material Safety Data Sheet.

Apply "G"Go directly to stained area. Tamping with a bristle brush will help to loosen tough stains. Dryclean in usual manner.

Note: "G"Go is safe for use on most colors and fabrics. Test on hidden area of garment before using on delicate colors or fabrics.

"G"Go™
